Diary No. 721	Enclos.	Spare copies	Serial No.

BRIEF ABSTRACT OF LETTER

Requests sanction to the work of the erection of 8 Qrs. No. 82-86 so as to limit the estimated cost of the above work to Rs 3756, as the estimate, based on plinth charges incurred in the construction of the Qrs. No. 1 to 6 is insufficient now.

NOTES AND ORDERS.

1) In the estimate sanctioned by Govt for Rs 4100/- a provision of Rs 344 has specifically allowed to be included in the Recommendation of the Chief Engineer in his forwarding Note of the 17th Nov 1934. The M.C has now invited Reference to the Govt No 1591-4/Mercy 286-24-1 dated 4.5.25 published on page 528 of the Hungrai Manual 1934

according to which establishment, tools and plant charges on Periyar works Scarcity wholly or partly from the interest earning of the Periyar Fund, are waived. In the present case, a sum of Rs 750/ has been released to be met from the State and Periyar funds during 1932-33 towards the original estimate for Rs 2501. which amount is reported to have been already placed at the disposal of the PWD On this ground the present case falls within the purview of the above Govt order so as to allow waiving of the establishment, tools and plant charges amounting to Rs 344. The estimate has therefore to be sanctioned for Rs 3756 only and not for Rs 4100. The M.C therefore requests sanction to the Reduced estimate in modification of the G.O dated 18-12-36

The Chief Engineer may be requested to furnish his Remarks on the above proposal of the M.C

GENERAL SECRT. 30 JAN. 1937

SIR,

Construction
~~Completion~~ of Gopuram to the Sri Dharmarayaswami Temple in Ulsoorpet, Bangalore City.

9/28/1/

Adverting to G.O.No.215-18/Muz.114-34-9 dated 18-12-1936 sanctioning an estimate for Rs 4,100 for the above work, I have the honor to state that a Government contribution of Rs 750 was sanctioned from the allotment for 1932-33 towards the original estimate for Rs 2,501, which amount has already been placed at the disposal of the P.W.D. In accordance with Standing Orders (printed on page 528 of the Muzrai Manual), the establishment, tools and plant charges are not leviable on estimates sanctioned wholly or partly from the State grant or the General Muzrai Fund. In this circumstance, I request that the estimate may be sanctioned for Rs 3,756 only and the order modified to that extent.

2. As regards the balance of Rs 1,255 to be placed at the disposal of the P.W.D., I have requested the Deputy Commissioner to call upon the Dharmadarsis to collect the balance of devotees' contribution and pay it to the Treasury, as undertaken by them. If the response is not spontaneous or sufficiently encouraging, I shall, as previously stated, make the balance available from the institution funds. The Executive Engineer will, however, be requested to proceed with the work on the above assurance.

I have the honor to be,

Sir,

Your most obedient servant,

K. Ananta Raman
